PERSONS EXPERIENCING HOMELESSNESS	The Office of Emergency Management has designated LAHSA as the lead agency for work relating to people experiencing homelessness. OEM did this to ensure that LAHSA’s expertise is captured in the day-to-day work and allows LAHSA to play the central coordinating role across City and County agencies. Visit the website for more information on Homelessness & Housing Medical Sheltering: Los Angeles County has stood up temporary quarantine and isolation shelters to prevent the spread of COVID-19. These temporary shelters, using hotels and motels throughout the County, is for individuals who have been exposed to COVID-19 and must isolate and need assistance from the County to do so. Visit our website for more information on Medical Sheltering and for a list of Frequently asked Questions. Project Roomkey:																														

Project Roomkey is a collaborative effort by the State, County, City of Los Angeles and the Los Angeles Homeless Services Authority (LAHSA) to secure hotel and motel rooms for vulnerable people experiencing homelessness, with a focus on seniors and individuals with existing health conditions. It provides a way for people who don't have a home to stay inside to prevent the spread of COVID19. The data reflected in this update does not reflect contracts pending final execution with hoteliers. Visit our website for more information on [Project Roomkey](#)
